About Me

Hi! My name is Jason Miller. I'm a full-time graphic designer working remotely for a Toronto-based marketing firm. I'm quiet, organized, and very respectful of my living space. I've rented for the past 5 years and always paid rent on time. I live with my partner and our Golden Retriever, Max (super well-behaved and house-trained!). We're looking for a long-term place where we can settle comfortably and treat it like our own. In my spare time, I enjoy cycling, reading, and photography. I take pride in keeping my home clean and being a reliable tenant.
