**Order under Section 69
Residential Tenancies Act, 2006**

Citation: Lam v Folk, 2023 ONLTB 58962

Date: 2023-09-01

File Number: LTB-L-023450-23

In the matter of: 1 REGINA RD
BARRIE ON L4M7J1

Between: Adam Lam Landlord

And

Shannon Lynn Folk Tenant

Adam Lam (the 'Landlord') applied for an order to terminate the tenancy and evict Shannon Lynn Folk (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

The Landlord also claimed charges related to NSF cheques

This application was heard by videoconference on August 14, 2023.

The Landlord and the Tenant attended the hearing

Determinations:

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. The Tenant was in possession of the rental unit on the date the application was filed.
3. The Tenant vacated the rental unit on April 8, 2023. Rent arrears are calculated up to the date the Tenant vacated the unit.
4. The lawful rent is \$3,238.00. It was due on the 1st day of each month.
5. The Tenant has paid \$2,406.76 to the Landlord since the application was filed. At the hearing, the Landlord claimed that the Tenant only paid \$2,030.51 however the evidence revealed that additional payments were made and the Landlord exercised discretion in deducting the water bill from those payments made. I have applied those payments to the rent arrears and according to the Tenant's evidence that greater payments were made since the application was filed.
6. The rent arrears owing to April 8, 2023 are \$6,158.84.

7. The Landlord is entitled to \$40.00 to reimburse the Landlord for administration charges the Landlord incurred as a result of 2 cheques given by or on behalf of the Tenant which were returned NSF.
8. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
9. The Landlord collected a rent deposit of \$3,200.00 from the Tenant and this deposit is still being held by the Landlord. The rent deposit is applied to the arrears of rent because the tenancy terminated.
10. Interest on the rent deposit, in the amount of \$108.54 is owing to the Tenant for the period from May 24, 2021 to April 8, 2023.

It is ordered that:

1. The tenancy between the Landlord and the Tenant is terminated as of April 8, 2023, the date the Tenant moved out of the rental unit
2. The Tenant shall pay to the Landlord \$3,076.30. This amount includes rent arrears owing up to the date the Tenant moved out of the rental unit and the cost of filing the application and unpaid NSF charges. The rent deposit and interest the Landlord owes on the rent deposit is deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.
3. If the Tenant does not pay the Landlord the full amount owing on or before September 12, 2023, the Tenant will start to owe interest. This will be simple interest calculated from September 13, 2023 at 6.00% annually on the balance outstanding.
