Landlord

Tenant

Raymattie Narain (the 'Landlord') applied for an order to terminate the tenancy and evict Tracy-Ann Francis (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on September 26, 2023.

Only the Landlord's legal representative, S. Rangan, attended the hearing.

As of 1:42 p.m., the Tenant was not present or represented at the hearing although properly served with notice of this hearing by the LTB. There was no record of a request to adjourn the hearing. As a result, the hearing proceeded with only the Landlord's evidence.

### Determinations:

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$2,800.00. It is due on the 1st day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$92.05. This amount is calculated as follows: \$2,800.00 x 12, divided by 365 days.
5. The Tenant has paid \$12,000.00 to the Landlord since the application was filed.
6. The rent arrears owing to September 30, 2023 are \$4,800.00.
7. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.

8. The Landlord collected a rent deposit of \$2,800.00 from the Tenant and this deposit is still being held by the Landlord. The rent deposit can only be applied to the last rental period of the tenancy if the tenancy is terminated.
9. Interest on the rent deposit, in the amount of \$74.99 is owing to the Tenant for the period from September 1, 2022 to September 26, 2023.
10. The Landlord requests a standard termination order.
11. The Landlord's legal representative said that the Landlord has attempted to contact the Tenant about the arrears by email and text. The Tenant also does not answer the phone. The Landlord's legal representative said that there has been no response at all from the Tenant.
12. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), including whether the Landlord attempted to negotiate a repayment agreement with the Tenant, and I find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act. In particular, the Landlord has attempted multiple means to communicate with the Tenant about the arrears, and the Tenant has failed to respond. The arrears are now almost double what they were when the Landlord filed the application. I find that the tenancy is no longer tenable, and it is prejudicial to the Landlord for it to continue.

**It is ordered that:**

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
  - \$10,586.00 if the payment is made on or before November 18, 2023. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after November 18, 2023 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before November 18, 2023.**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$1,704.31. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. The rent deposit and interest the Landlord owes on the rent deposit are deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.
6. The Tenant shall also pay the Landlord compensation of \$92.05 per day for the use of the unit starting September 27, 2023 until the date the Tenant moves out of the unit.

7. If the Tenant does not pay the Landlord the full amount owing on or before November 18, 2023, the Tenant will start to owe interest. This will be simple interest calculated from November 19, 2023 at 7.00% annually on the balance outstanding.
8. If the unit is not vacated on or before November 18, 2023, then starting November 19, 2023, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after November 19, 2023.
