Tenant

Eric Sizer and Ryan Sizer (the 'Landlords') applied for an order to terminate the tenancy and evict Michelle Fox (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on February 20, 2024.

Only the Landlords and the Landlord's Legal representative, Shasta Pearson, attended the hearing.

As of 3:02 pm, the Tenant was not present or represented at the hearing although properly served with notice of this hearing by the LTB. There was no record of a request to adjourn the hearing. As a result, the hearing proceeded with only the Landlord's evidence.

Preliminary Matter:

1. The Landlord's Legal Representative requested to amend the L1 application so that the rental periods identified correspond to those shown on the N4 notice of termination. I granted the amendment as it ensures the N4 notice and L1 application are substantially similar. Although the Tenant was not in attendance, I did not believe this amendment would be prejudicial for them.

Determinations:

1. The Landlords served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$2,300.00. It is due on the 1st day of each month.

4. Based on the Monthly rent, the daily rent/compensation is \$75.62. This amount is calculated as follows: \$2,300.00 x 12, divided by 365 days.
5. The Tenant has not made any payments since the application was filed.
6. The rent arrears owing to February 29, 2024 are \$13,100.00.
7. The Landlords incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
8. There is no last month's rent deposit.
9. I have considered all of the disclosed circumstances in accordance with subsection 83 of the Residential Tenancies Act, 2006 (the 'Act'), including the impact of COVID-19 on the parties and whether the Landlords attempted to negotiate a repayment agreement with the Tenant, and find that the Landlords did attempt to negotiate repayment of the arrears of rent. In making this finding I considered the Landlord's Legal Representative's submissions that the Landlords had proposed an agreement to terminate the tenancy earlier but the Tenant did not accept this.
10. As the Tenant did not attend and no other circumstances were presented to me, I find it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act.

It is ordered that:

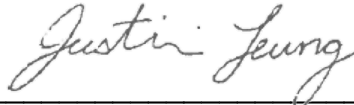

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
 - \$15,586.00 if the payment is made on or before March 31, 2024. See Schedule 1 for the calculation of the amount owing.

OR

 - \$17,886.00 if the payment is made on or before April 8, 2024. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after April 8, 2024 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before April 8, 2024**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$12,498.40. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. See Schedule 1 for the calculation of the amount owing.
6. The Tenant shall also pay the Landlord compensation of \$75.62 per day for the use of the unit starting February 21, 2024 until the date the Tenant moves out of the unit.

7. If the Tenant does not pay the Landlord the full amount owing on or before April 8, 2024, the Tenant will start to owe interest. This will be simple interest calculated from April 9, 2024 at 7.00% annually on the balance outstanding.
8. If the unit is not vacated on or before April 8, 2024, then starting April 9, 2024, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after April 9, 2024.
