

## Order under Section 69 Residential Tenancies Act, 2006

**Citation:** IMH POOL I LP v Kazkaz, 2023 ONLTB 29404

**Date:** 2023-04-05

**File Number:** LTB-L-004536-22

**In the matter of:** 905, 15 DUNDONALD ST  
TORONTO ON M4Y1K4

**Between:** IMH POOL I LP Landlord

**And**

Mohamad Kazkaz Tenant

IMH POOL I LP (the 'Landlord') applied for an order to terminate the tenancy and evict Mohamad Kazkaz (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on March 24, 2023.

The Landlord's legal representative, Christine Daniel, and the Tenant attended the hearing.

### Determinations:

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$1,759.86. It is due on the 1st day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$57.86. This amount is calculated as follows: \$1,759.86 x 12, divided by 365 days.
5. The Tenant has paid \$13,058.00 to the Landlord since the application was filed.
6. The Tenant did not dispute the amount of arrears claimed by the Landlord. Therefore, I am satisfied on a balance of probabilities that the rent arrears owing to March 31, 2023 are \$14,932.88.
7. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
8. The Landlord collected a rent deposit of \$1,751.12 from the Tenant and this deposit is still being held by the Landlord. The rent deposit can only be applied to the last rental period of the tenancy if the tenancy is terminated.

9. Interest on the rent deposit, in the amount of \$28.31 is owing to the Tenant for the period from August 1, 2022 to March 24, 2023.
10. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), and find that it would not be unfair to postpone the eviction until April 30, 2023 pursuant to subsection 83(1)(b) of the Act. The Tenant testified that he would like to have until May 15, 2023 to move out because he needs to find a new place to live and he has to move a lot of furniture. The Landlord opposed the extension of time. On one hand, the arrears are not insignificant, the proceedings have been ongoing for months and the Tenant testified that he only recently started looking for a new place to live. On the other hand, the Landlord did not argue that an extension will cause them significant hardship and they are holding a rent deposit so the arrears will not increase if the eviction date is extended to the end of the month. Accordingly, I find it fair and appropriate to extend the eviction date until April 30, 2023.

**It is ordered that:**

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
  - \$16,878.74 if the payment is made on or before April 30, 2023. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after April 30, 2023 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before April 30, 2023.**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$12,968.23. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. The rent deposit and interest the Landlord owes on the rent deposit are deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.
6. The Tenant shall also pay the Landlord compensation of \$57.86 per day for the use of the unit starting March 25, 2023 until the date the Tenant moves out of the unit.
7. If the Tenant does not pay the Landlord the full amount owing on or before April 16, 2023, the Tenant will start to owe interest. This will be simple interest calculated from April 17, 2023 at 6.00% annually on the balance outstanding.
8. If the unit is not vacated on or before April 30, 2023, then starting May 1, 2023, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.

9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after May 1, 2023.

**April 5, 2023**  
**Date Issued**
