I hereby certify this is a true copy of an Order dated

Landlord

Tenant

Arleta Doroszuk (the 'Landlord') applied for an order to terminate the tenancy and evict Jorah Cameron (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on August 20, 2024.

Only the Landlord attended the hearing.

As of 10:19 AM, the Tenant was not present or represented at the hearing although properly served with notice of this hearing by the LTB. There was no record of a request to adjourn the hearing. As a result, the hearing proceeded with only the Landlord's evidence.

Determinations:

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$1,556.00. It is due on the 1st day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$51.16. This amount is calculated as follows: \$1,556.00 x 12, divided by 365 days.
5. The Tenant has not made any payments since the application was filed.
6. The rent arrears owing to September 1, 2024 are \$15,477.16.
7. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
8. The Landlord collected a rent deposit of \$1,556.00 from the Tenant and this deposit is still being held by the Landlord. The rent deposit can only be applied to the last rental period of the tenancy if the tenancy is terminated.

9. Interest on the rent deposit, in the amount of \$18.22 is owing to the Tenant for the period from March 3, 2024 to August 20, 2024.

Relief from Eviction:

10. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), including the Landlord's attempts to negotiate a repayment agreement with the Tenant and find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act.
11. The Landlord testified that she was not aware of any circumstances which should be considered to delay or deny the eviction. She said she attended the rental unit to investigate high water usage and the Tenant was very aggressive with her and denied her access. She also said that she had attempted to speak with the Tenant regarding a payment plan but the Tenant would not respond to her door knocking.
12. I considered the evidence and testimony submitted by the Landlord and find that this is an unviable tenancy. The arrears have increase since the time of the application with no payments made by the Tenant which is further prejudicing the Landlord. I also interpret the Tenant's failure to be present or represented at the hearing to be an indication that he does not wish to maintain the tenancy.

It is ordered that:

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
 - \$15,663.16 if the payment is made on or before September 1, 2024. See Schedule 1 for the calculation of the amount owing.

OR

 - \$17,219.16 if the payment is made on or before September 8, 2024. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after September 8, 2024 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before September 8, 2024**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$13,475.02. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. The rent deposit and interest the Landlord owes on the rent deposit are

deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.

6. The Tenant shall also pay the Landlord compensation of \$51.16 per day for the use of the unit starting August 21, 2024 until the date the Tenant moves out of the unit.
7. If the Tenant does not pay the Landlord the full amount owing on or before September 8, 2024, the Tenant will start to owe interest. This will be simple interest calculated from September 9, 2024 at 7.00% annually on the balance outstanding.
8. If the unit is not vacated on or before September 8, 2024, then starting September 9, 2024, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after September 9, 2024.
